

SHORT CURRICULUM VITAE

Personal data

Name: Ignacio García-Jurado.

Birth: La Coruña (Spain). September 29, 1962.

Identity Card Number: 32451391R.

Professional Address: Department of Mathematics, Faculty of Computer Science, Coruna University, 15071 Coruna, Spain.

Current Position: Full professor at the Department of Mathematics of the Coruna University.

Phone: +34 981 167000.

Fax: +34 981 167160.

E-Mail: igjurado@udc.es

Academic data

Degree in Mathematics. Santiago de Compostela University. June 1985.

Doctor in Mathematics. Santiago de Compostela University. May 1989.

Full professor of Statistics and Operations Research. Santiago de Compostela University. May 2000.

Full professor of Statistics and Operations Research. Coruna University. December 2008.

Supervisor of eleven PhD dissertations.

President of SEIO (Spanish Society of Statistics and Operations Research). Since September 2007.

Associate Editor of *Mathematical Methods of Operations Research* (since January 2003) and of *Top* (since January 2007).

He has been chairman of the Department of Statistics and Operations Research of the Santiago de Compostela University. Since December 1999 until December 2003.

He has been Vice-President of SEIO. Since November 2001 until October 2004.

He has been Editor-in-Chief of *TOP*, the operational research journal of SEIO (jointly with Marco A. López). Since January 2001 until December 2006.
